

**OSM Worldwide recognized #1170 in the Inc. 500|5000 for 2011, and 26<sup>th</sup> in the Logistics and Transportation category.**

**USPS Preferred Shipping Consolidator Experienced More Than 253% 3-Year Growth.**

CHICAGO, August 26, 2011 – OSM Worldwide, a USPS preferred shipping consolidator for high volume mailers with complex mailing and shipping requirements, announced today it was ranked #1170 in Inc. magazine’s fastest growing, privately held U.S. companies. Within the Logistics and Transportation industry, OSM placed 26<sup>th</sup>.

“It’s an honor to be included in the Inc. 500|5000 ranking,” says CEO Gaston Curk. “Our growing success is a testament to OSM’s dedication to improving the shipping industry by providing a higher level of service and savings. We thank our employees, suppliers, and most of all our customers for helping us achieve this recognition.”

### **About OSM Worldwide**

Chicago-based OSM Worldwide is the preferred USPS shipping consolidator for domestic and international, high-volume parcels with complex shipping requirements. OSM provides more discounts for USPS expedited and priority services than anywhere else.

With a proactive executive staff and knowledgeable team of mail and shipping professionals, the company focuses on service and powerful shipping management tools. “We operate in a highly competitive, commoditized industry, yet we have a 97% customer retention rate,” says Curk. “That’s just about unheard of in this business.”
